1 February 2013

Dear Parents/ Guardians,

As in previous years, in 2013 the Greek Afternoon School of our Parish and Community operates with Primary and High School Classes from the Primary School campus of our College, next to the Holy Church of All Saints on Mondays, Tuesdays, Thursdays and Fridays from 4.30pm – 6.30pm.

We are all aware of the benefits from learning the Greek language. It is important and necessary that the knowledge of the Greek language is imparted on our children.

And we all know that the more exposure to the teaching of Greek the children have, the better the outcomes.

For this purpose, the Board of Directors of our Parish has decided that the tuition for the Greek Afternoon School will be free of charge for the students of our College.

Therefore those who want their children to benefit from this, please see father Christos Triandafyllou or father Agathangelos Masteas at the Church for enrolments.

Yours sincerely,

Polycarpus Kouroushis
Chair, Board of Directors
