**HSC Results**

# Congratulations to the **Class of 2020**

## A message from the **Head of School**

Dear All Saints Grammar Community

It is my pleasure to present to you the Higher School Certificate (HSC) results and achievements for the graduating Class of 2020.

The Class of 2020 faced perhaps some of the most difficult challenges ever experienced by a graduating Class in the history of our School.

Despite the enormous hurdles presented by the COVID-19 pandemic, these dedicated students rose above and beyond, striving for personal excellence and successfully completing their HSC.

Throughout their time at ASG, particularly during an intense final 12 months of study, each and every student from this graduating Class demonstrated what it is to be an ASG graduate, a better person and a better learner.

The hard work and determination of this Class, in partnership with our community, parents, teachers and support staff, has led these students to more than just academic success; they are now ready to join their communities as thriving adults with purpose, passion and a place in the world.

Please join me in taking this opportunity to thank our newest ASG graduates for their outstanding contributions to our community. We are proud of all that these students have achieved and wish them the greatest of luck and success as they move into an exciting new chapter in their lives.

Yours sincerely

Mrs Elfa Lillis
