In the 2023 HSC All Saints Grammar has achieved remarkable success, with an overall ranking of 86th in the state for the 2023 HSC School Rankings. This accomplishment is a testament to the hard work, dedication, and resilience of our students, as well as the unwavering support of our talented educators and the entire school community.

A highlight of our achievements this year is the remarkable improvement in Band 6 performance. I am delighted to share that we have achieved a 100% improvement in Band 6 results compared to the previous year. This remarkable progress is a result of the collective efforts of our students and the tireless commitment of our teachers to provide a nurturing and challenging learning environment.
